PRODUCT DESCRIPTION

[Pump breast milk safely and comfortably](#)

The Medela Symphony Hospital Grade Breast Pump from Medela ensures that you can pump breast milk comfortably thanks to its special Comfort Flow Zone. This is particularly gentle on extremely sensitive breast tissue. This makes it ideal for expressing breast milk regularly over a longer period. Further advantages include:

- The Symphony can be used for both single and double pumping.
 - It is safe and clean because of its special overflow protection.
- It is highly flexible, as it can be adapted to your individual needs.
 - 2-phase expression technology

We next day delivery for Sydney Metro and 1 day delivery for the rest of NSW.

Billed up-front in four-week cycle with any unused weeks refunded when the product is returned. Delivery and collection of items can be arranged. Please contact our Customer Service Team for a rental quote. Please Note: Our Sydney Showrooms are open between Monday to Saturday, check our store finder for more details.

Includes: Medela Breast Pump Unit, Plastic Bottle Stand, AC Lead and Carry Case. Does not ship with a double kit as pictured. For hygiene reasons the double kit is required when renting a Medela Symphony Breast Pump.
