ROYALE MEDICAL HIGH BACK CHAIR

\$0.00

This is the Royale Medical Standard Highback Chair which comes in either a 'mocha champagne', 'forest slate' or 'ardo grey' upholstery. The Royale standard highback chair has been designed with the user's comfort, posture, and safety in mind. The product features a comfortable, contoured high back design, padded seat and armrests. The chair has height adjustable legs to adjust the seating height for users. The frame has been treated with corrosion resistant powder paint and the vinyl upholstery is easy to clean and maintain. This product has a safe usage weight of 205kg and complies with Australian Standards. For additional support, users can purchase the accompanying leg rest (separate purchase).
