PRODUCT DESCRIPTION

Configura Bariatric brings Configura technology to bariatric seating. This offers unprecedented adjustability, flexibility, and peace of mind for the prescriber. Dual motor operation allows independent adjustment of the legrest elevation and backrest recline. This enables infinite positioning for maximum comfort and support for users with more complex requirements.

- Tilt-in-space for improved pelvic stability and posture and pressure distribution
- Medium-high risk pressure relief as standard
- Multi adjustable pillow backrest: pillows are height adjustable and the filling can be customised to the user
- Black Vinyl
