DAYS 240L LIGHTWEIGHT ALUMINIUM FOLDING 3 WHEEL TRI WALKER

\$199.99

The Days Aluminium Tri-wheel walker is equipped with a lightweight aluminium frame to ensure users are able to move around easily with the unit. The walker has handles that are easily adjustable in height. The handgrips are perfectly designed for users diagnosed with arthritis. The walker's brakes are easily lockable with a simple push-down technique. The Days lightweight walker is easily foldable using its easy grip handle feature and is suitable for quick storage or transportation.
