## **DREAMLINE SNOOZA**

The Snooza Chair, an all-foam seat, utilises its planar angles to utilise gravity for maintaining the safety and postural stability of the person sitting in it while they are out of their wheelchair. The chair features soft, snug support to help the person relax and high armrests that promote better breathing. Additionally, the chair has well-placed carry handles for easy transportation and large storage pockets on each side. Cleaning the Snooza Chair is simple, as the medical-grade vinyl cover can be easily wiped down. The center comfort wrap that is included is also removable and washable.

## **PRODUCT DESCRIPTION**

With its planar angles, the all-foam Snooza Chair maintains the occupant's safety and postural stability while they are out of their wheelchair.

The soft, close-fitting support helps the occupant relax, and the armrests' height facilitates better breathing. Well-positioned carry handles make transporting the bag simple, and each side features large storage pockets.

The vinyl cover of the Snooza chair is easy to clean; simply wipe it down. The supplied centre comfort wrap is removable and washable.

### **Standard snooza chair kit includes:**

- 1 x Wedge for angle adjustment
- 1 x Adjustable headrest
- Padded hip belt
