

SKU: S12747

FEMALE URINAL CYGNET

\$19.99

This female urinal can be autoclavable for sanitising and comes with an integrated handle. A 1 litre capacity with 100ml graduation markings helps ensure an easy overnight rest without the need to constantly rise for relief. Anatomically designed to enable use while either standing, sitting, or lying. Can also be chemically cleaned. Made from durable polypropylene.
