PRODUCT DESCRIPTION

Hero Medical Feather Lite Wheelchair 18"

Stability

The Hero Medical wheelchair is designed to be safe and stable as long as the centre of gravity is maintained when in use. Avoid sudden movements which may result in shifting your centre of gravity as this will affect the chair's stability.

Inclined Surface

Be mindful of your strength, capabilities and limitations before attempting to wheel this wheelchair up or down inclined surfaces including ramps. For correct techniques on ramp negotiation, a qualified healthcare professional may be able to provide product demonstration and/or advice.

Hand Brakes

This wheelchair comes with attendant handbrakes to provide better control and safety.
