ATAMA BC2 SUPER KING BARIATRIC CHAIR

\$1,399.99

The Atama BC2 super king bariatric chair is an extremely durable and comfortable day chair. It is ergonomically designed with a range of great features such as a fully welded powder coated steel frame, 3-segmented back cushion for added comfort and easy cleaning, height adjustable legs, and fire-retardant foams. Made with a vinyl cover available in two colours, it is suitable for both aged care and healthcare applications.

Optional accessories for the BC2 bariatric day chair are rear transport wheels.
