INOGEN G5 / ROVE 6 CARRY BAG

\$129.99

The Inogen One G5 / Rove 6 Carry Bag is a stylish solution to transport and protect your unit. It features an adjustable belt loop that makes carrying your unit easy and comfortable. Constructed from polyester, the bag is weather-resistant, shielding the unit from elements like wind, dirt, and rain. Additionally, it includes a slim pocket for storing items such as money, ID cards, or keys.
