## INVACARE STAND ASSIST SLING

**\$399.99**

The Invacare Stand Assist Slings are suitable for clients with some weight bearing ability but cannot stand independently. The client should be coherent, have good body and head control and the ability to grip the lift boom during transfer. The stand assist slings are well-padded for extra comfort and comes with a non-slip material on the back to ensure a comfortable transfer position.

The Stand Assist Sling is made from a polyester fabric that is hard-wearing and easy to apply. It slides into place and dries quickly after washing. *Please note only Stand Assist Sling included.*
