Image	SKU	Price	Description	Length
	S1043	\$56.99		60 cm
	S1042	\$59.99		75 cm
	S1044	\$65.99		90 cm

PRODUCT DESCRIPTION

The Homecraft Handi Easireacher is a practical grabber tool designed to help individuals reach and retrieve items from the floor or raised surfaces. It features a simple trigger mechanism that operates the gripping jaws, allowing secure handling of a range of objects.

The jaws have a slip-resistant surface for a reliable grip and include a magnetic tip for retrieving small metal items like keys or coins. Its ergonomic handle supports those with reduced hand strength, while the rotatable head allows adjustment for different angles or tasks.

Available in three lengths, the reacher suits a variety of home, community or clinical environments.

Who it's for

- For clients with limited mobility or flexibility who require assistance in reaching objects.
- For therapists supporting clients in maintaining independence in daily tasks.

Key features

- **Trigger-operated gripping jaws** – makes retrieving items easier without bending
- **Magnetic tip** – facilitates easy retrieval of small metal items like keys or coins
- **Slip-resistant jaws** – provide a secure grip on various objects
- **Ergonomic handle** – supports comfort and reduced hand strain
- **Rotatable head** – adjusts for different angles and reach tasks
- **Available in 3 lengths** – 60 cm, 75 cm and 90 cm to suit individual needs
