PRODUCT DESCRIPTION

The Royale Mayfair Signature Lift Chair (Twin Motor) offers a flexible and supportive seating solution for those seeking independent control over recline and lift functions. The twin motor system enables separate adjustment of the backrest and legrest, allowing personalised positioning throughout the day.

Upholstered in premium angora fabric, this chair offers a soft and breathable finish with durable everyday performance.

A three-section waterfall backrest supports the upper, middle and lower back, promoting comfort and support.

The Mayfair Signature also includes a smooth lift mechanism, intuitive hand control and practical side pockets for ease of use.

Who it’s for

- For clients who prefer soft fabric upholstery with adjustable support.
- For therapists seeking a twin motor lift chair that delivers breathable comfort and postural support for their client.

Key features

- **Twin motor recline and lift** – independent control of backrest and legrest
 - **Angora fabric upholstery** – soft, breathable and durable
- **Three-section waterfall backrest** – supports spinal alignment and comfort
 - **High-quality foam seat** – enhances comfort and postural stability
- **Battery back-up system** – ensures continued operation during outages
- **Simple hand control and side pockets** – easy to operate and practical storage
