

## **POLYAIR CUSHION HIGH PROFILE**

**\$749.99**

All POLYAIR® cushions feature dual compartments (left and right) which act independently from each other.

The lightweight ergonomic design is extremely user friendly and is recommended by therapists for the ease of use.

It has an electronic measuring and adjustment system which means “hassle free” suitability and a greater control over your comfort and your health.

State of the art pressure relief technology with a removable polymaille® anti-slip cover which has been manufactured to be durable and reduces the effect of maceration.

- stability - A therapeutic honeycomb shape for safety and security
  - comfort - Premium Laxprene® technology which provides unrivalled comfort
  - lightness - Highly portable and lightweight design
- waterproof - Breathable waterproof technology that is designed to reduce the effects of maceration.
