PORTABLE SHOWER TRAY ROYALE

\$399.99

The Shower Tray is a vinyl based unit that makes showering easier. The tray can be placed on top of an existing drain hole or used over an open drain hole, by joining a hose to the side of the passage. The Tray can be used along with a standing shower chair for those with disability problems. The Tray is also easily foldable into a carry bag, allowing quick storage and stress-free portability.

- Comes included with instructions – clearly printed on the carry bag
- Comes included as standard with hose. No need to separately source.
