ROHO AIRLITE CUSHION

~~\$425.99~~ **\$425.99**

The AirLITE Cushion improves the capacity to exchange by bringing down the front and center of the cushion 3/4 inch (2 cm), while keeping its solid situating ability by extending the leg troughs. The lower stature likewise adds to a more prominent sentiment of security in the seat. The non-flexible ROHO AIR FLOATATION™ air embed incorporated with the pad under the ischials has been improved to give better scrape the bottom security. Softer Foam enables the cushion to fit in with the person's physiology and give an increasingly open to seating surface.
