

SKU:

HERO MEDICAL 4- WHEELED MOBILITY WALKER - WALKING FRAME WITH ROLLATOR

\$169.99

The Hero Medical Four Wheeled Seat Walker (Rollator) is much loved by ILS customers for every day use. Ideal for both indoor and outdoor use, the seat walker has a safe working limit of 140kg. Key features include a lightweight aluminium frame of 5kg, easy-to-operate functions and safety features such as a light touch lock brake system and large front wheels to minimise wheel wobble and increase grip. It easily folds without removing the storage bag and best of all, there are five colours to choose from.
