PRODUCT DESCRIPTION

The Hero Medical Standard Shower Chair supports safe, comfortable seated bathing for individuals with limited strength, balance or mobility. The lightweight aluminium frame is durable and rust-resistant, with a safe working load of 205 kg.

Height-adjustable legs allow the seat height to be customised to suit different individuals and shower setups. The contoured seat features drainage holes to promote hygiene and reduce water pooling.

Fixed raised armrests assist with safe sit-to-stand transfers, providing extra security during use.

Non-slip rubber feet help keep the chair stable on wet shower floors.

Who it's for

- For clients who need seated support during daily showering due to risk of falls.
- For therapists recommending reliable shower seating for clients in home or aged care settings.
