SUCTION GRAB RAIL

\$69.99

The Suction Grab Rail offers sturdy and safe support to the user without having to be permanently attached to the wall. The rails assist individuals with sit-to-stand transfers, helping increase safety, balance and stability.

The non-slip handle offers greater independence by providing stability when getting in and out of the bath or shower or for general use around the home. Safety lock indicators display green when the rail is securely attached and red when unsecured. Designed for use only on smooth and nonporous surfaces such as tiles, glass, porcelain, or fibreglass.
