PRODUCT DESCRIPTION

The Trust Care Let's Go Indoor Walker is a lightweight easy-to-use rollator with exceptional function and safety features.

Key features include:

- Lightweight aluminium frame
- Adjustable height handles - The comfortable handles are covered with soft foam and are adjustable in height to suit your length.
- Manoeuvrability - Turns easily and can be used in narrow spaces like the bathroom and toilet.
- Multi-functional - In addition to being a walking aid, it can be used as a kitchen trolley, or a table to eat.
- Easy-to-use brake system - The brake is easy to operate with just one hand. The rollator brakes on both back wheels.
- Soft and quiet wheels - The wheels are made of soft rubber which make the rollator easy to turn, easy to roll, and use only a small space. The rollator moves easily over carpets.
- A removable plastic tray - Made from plastic with a matt surface, the tray can be placed tabletop height on the rollator. It is easy to lift off and on, and is used to transport a plate, cup of coffee or other smaller items.
- Textile basket - This may be placed under tray for storing small items.
- Easy to fold for transport or storage
