TiLite TWIST

Play. Giggle. Grow.

Designed from the ground up for kids, the TWIST encourages exploration, independence, and, yes, playfulness. There are no parts or growth kits to buy. Instead, the TWIST grows with them.

Other chairs say they can grow too, but parts are required. With the TWIST, growth is built in. Sized from 8" x 8" up to 15" x 16", the TWIST offers 2" of growth in seat width and 3" of growth in seat depth.

Custom configuration allows you to add options and components to your child's chair to meet their needs and to optimise their riding experience. This includes choices of wheels, handrims, tyres, wheel locks, colour, and more.
